

Unwooly Riches™

SHEER EXCITEMENT AWAITS

Slot play gets very unruly in the company of some rather fleecy characters in the new Unwooly Riches™! Featuring a mischievous goat character called “Spice” and an angelic sheep character called “Sugar”, Unwooly Riches by Konami Gaming, Inc. spotlights a playful battle between dark and light forces to win the player’s favor. Available on both the for-sale portrait screen DIMENSION 49™ and premium big-screen DIMENSION 75C™ cabinets, this linked progressive series includes proven mechanics from Konami’s popular Stuffed Coins™ series, which has ranked in the industry’s “Top Indexing NEW Games - Core, Video Reel” for 9 months and “Top Indexing Games - Core (Low Denom, Video Reel)” for 5 months, according to Eilers & Krejck Gaming and Fantini Research. Unwooly Riches is a surprisingly delightful and lighthearted game experience with a lot of fresh slot features for players to enjoy, including re-spins, double re-spins, free games, super free games, random multipliers up to 25x, and more!

GAME PLAY

Unwooly Riches is a linked progressive jackpot series that combines a 5-reel, 243 Ways base game with a wide mix of bonus features including a Re-spin event, Double Up event, multipliers, free games, super free games, and jackpot awards. The game’s 1-level linked jackpot can be set at \$2,500, \$5,000, or \$10,000 according to operator preference.

RANDOM WILDS

Anytime a Wild symbol lands on the center reel position during primary play, there is a chance that the Sugar or Spice character may provide a random multiplier up to 5x.

RE-SPIN EVENT

Any 3 more Coin or Wild symbols on the first 3 reels awards a Re-Spin Event, with the chance to collect instant Coin symbol credit prizes. All symbols are cleared from the reels except Coin symbols and the center Wild symbol, and the feature continues so long as at least 1 symbol continues to land, or until the entire reel frame is filled. If a Wild symbol is on the center reel position at the end of the Re-Spin Event, it is possible for both Sugar and Spice to award up to 5x multipliers—multiplying together for wins up to 25x!

DOUBLE UP EVENT

During the Re-Spin Event, it is also possible for a Wild symbol on the center reel position to award a “Double Up” bonus reel frame. In this event, the entire current reel frame is duplicated above the primary reel frame, along with the current Coin symbol prizes. After the Double Up bonus reel frame is copied, both reel frames continue the Re-Spin feature independently, but with even greater total win potential.

FREE GAME FEATURE

Any 3 or more scatter symbols award up to 15 free games. During the free games, the Re-Spin, Double Up, and Super Free Game Events can be awarded to players. Additional free game bonuses specific to the base game are also active through the Free Game Feature.

SUPER FREE GAME FEATURE

Anytime during the free games when no symbol win occurs with a Wild symbol on the center reel position, players can randomly win 5 Super Free Games. Coin symbols are guaranteed to appear during the Super Free Game Feature, increasing odds of the Re-Spin Event. And additional bonus features specific to the base game are also enabled.

JACKPOT FEATURE

Anytime a Wild symbol lands on the center reel position during primary play or the free games, there is a chance that the linked Grand progressive jackpot or standalone Major progressive jackpot may be awarded. The static Minor and Mini awards are available to redeem as random Coin symbol prizes during the Re-Spin and Double Up Events.

GAME THEME COMPATIBILITY

Unwooly Riches is available with 2 debut base games, both of which combine compatibility under the same 1-level link.

Unwooly Riches Sugar is a nod to the angelic sheep character with calming blue tones. It features its own, original free game bonus. Any 3 or more scatter symbols award free games, where the player is granted a persistent Wild in the center symbol position—held until the free game feature is completed.

A compatible complement to Unwooly Riches Sugar, Unwooly Riches Spice has a more fiery disposition. During the free game event, the center Wild Symbol can appear more frequently, and stacks of high-value Coin Symbols can appear.

BET CONFIGURATION

Unwooly Riches is a multi-denomination game, available in 1¢, 2¢, 5¢, and 10¢ options.

MERCHANDISING

Unwooly Riches has available pod fillers and LED sign merchandising with custom animation.
