

# DIMENSION 49J™

HARDWARE | C3 | DOMESTIC/INTL | PREMIUM

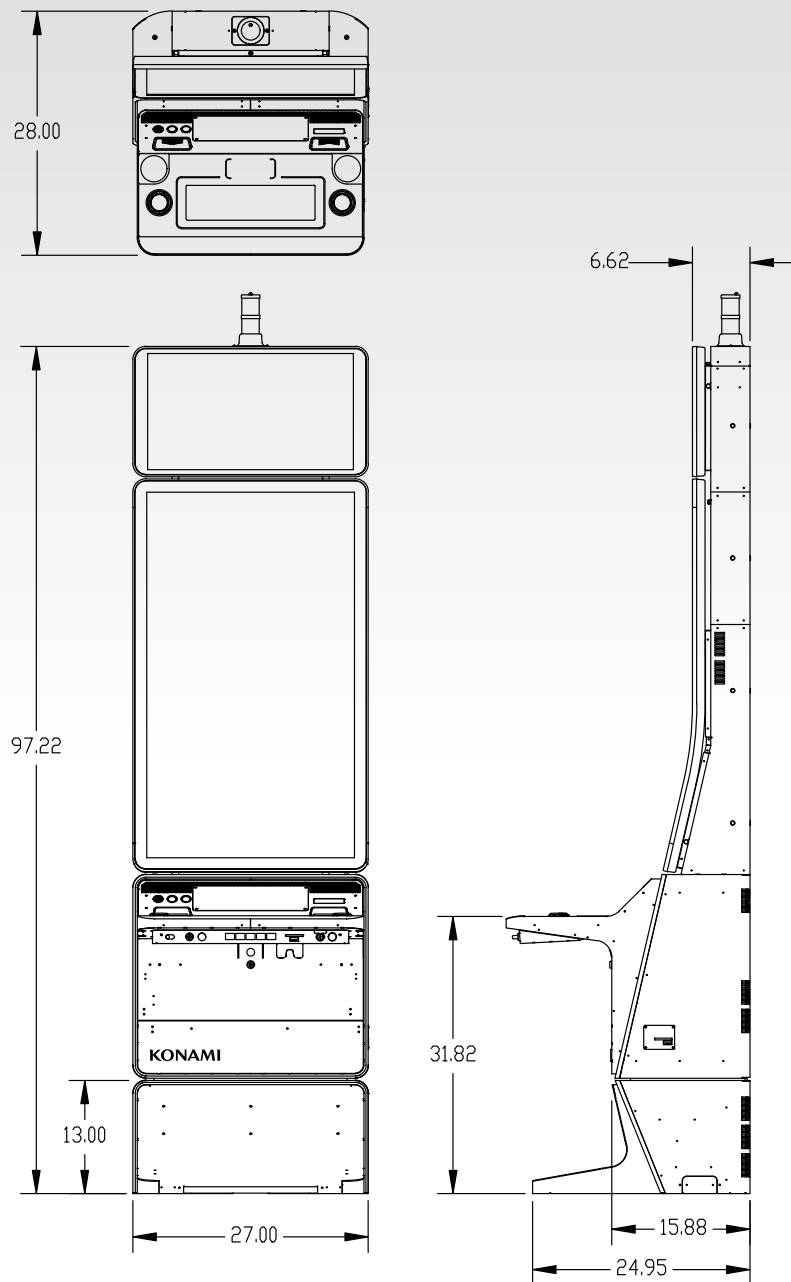

The DIMENSION 49J offers players premium content with gorgeous graphics, immersive sounds, and eye-catching signage for a truly premium experience. As the marquee product of the DIMENSION line, the DIMENSION 49J is designed to maximize excitement and anticipation for the player. The 49-inch display with lower “J” curve gives players a fantastic viewing angle for additional comfort and extended play sessions. Beautifully engineered from the ground up, the streamlined frame and custom merchandising options deliver entertainment value over a wide variety of placement options.

- 49-inch 4K ultra-high definition (UHD) portrait display with “J” curve
- 27-inch topper
- Large, curved display offers unrivaled player immersion and comfort
- Interactive button deck
- Dual classic bash buttons
- USB port and wireless charging pad
- Handbag hook
- Multi-color lighting effects highlight cabinet dimensions
- New KXP platform
- Fully merchandised banking options with eye-catching signage
